Polyform® F3 Heavy Duty Fender

Proudly made by
The Originator of
Modern Plastic Buoys

POLYFORM® OF NORWAY
The POLYFORM® F3 is a supreme, seamless, heavy duty fender with an extra strong pre-made injection molded ropehold. The fender and the rib-reinforced ropehold are unified through the in-house developed and patented POLYMATIQ technology. The F-series are made from our unique blend of high class tough, flexible vinyl materials. The fenders are resistant to all weather conditions. The F-series fenders are used all over the world for fendering of pleasure boats, yachts, workboats, pilot boats and the largest F-series fenders are used by national navies for ships up to 1500 ton d/w.

Available in various colours.

Polyform AS
Polyform AS is a world leading manufacturer of buoys fenders and floats, and the originator of the modern inflatable plastic buoy. The company is registered in Norway and situated in Ålesund at the north-western coast of Norway, and benefits from being located in one of the world’s most innovative maritime environments.

The product range of Polyform AS consists of:
• Inflatable buoys and fenders made from soft Vinyl plastics.
• Purse Seine Floats, buoys and marina fenders made from BACELL closed cell foam.
• Hard-shell buoys and pontoon floats made from PE and filled with foam
